

CITY OF ROSWELL, GEORGIA

JOB TITLE: Z06T – PART TIME TEMPORARY TRAFFIC COUNTER

PURPOSE OF CLASSIFICATION

The purpose of this classification is to assist with field work in collecting traffic volume (turning movement) counts at intersections around the City of Roswell.

ESSENTIAL FUNCTIONS

The following duties are normal for this position. The omission of specific statements of the duties does not exclude them from the classification if the work is similar, related, or a logical assignment for this classification. Other duties may be required and assigned.

Work involves performing turning movement counts, using manual traffic counters (to be provided by the City) for peak hours in the morning (7am – 9am) and in the afternoon (4pm – 6pm) on Tuesdays, Wednesdays and Thursdays. Use of a computer may be required to perform counts on Mondays and Fridays. Work approximately 20 – 30 hours per week. Workers are expected to stay in their vehicles to count. Work may sometimes include observational studies, to note particular traffic patterns, movements, volumes at assigned locations. Studies conducted may include any combination of vehicles, bicycles, trucks, or pedestrians.

The work requires continuous concentration for a minimum of 2 hours at a time, to conduct the studies/counts assigned.

Other types of data collection may be required as well.

City of Roswell will provide training on use of the manual traffic counters.

MINIMUM QUALIFICATIONS

High school diploma or GED. Must possess and maintain a valid Georgia driver's license. Use of dependable personal vehicle is required. Hand/eye coordination is needed for use of the traffic counting device.

The City of Roswell is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the City will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective and current employees to discuss potential accommodations with the employer.
