May 7, 2018**

To All Prospective Offerors:

In reference to the RFP listed above, the following answers to questions are hereby incorporated into the Request for Proposals:

Questions and Answers:

#	QUESTION	ANSWER
1.	Will the City RFP the residential garbage collection contract? If so, when? If not when does the current garbage contract expire?	The city self performs residential garbage collection, and there are no current plans to change.
2.	Can you provide a list of approved Recycling and Yard Waste Facilities in the Area?	It is the Proposer's responsibility to identify and secure material processing and recovery facilities. The following link is to the Georgia EPD website, which includes a variety of permitted solid waste facilities, some of which are recycling and/or recovery facilities: https://epd.georgia.gov/permitted-solid-waste-facilities
3.	Can the City provide the number of Homes to be serviced?	In February, 2018, the City paid the current contractor based on 25,720 residential customers. The number of residential customers at initiation of the contract is estimated at 26,000. As stated in the RFP section G.02.18, the residential customer count will be updated semi-annually.

4.	Will the city provide a copy of the existing YW and Recycling Contract?	Yes. However, we do so only to meet our legal requirement, and not to provide any insight into the current solicitation process or forthcoming contract.

All other terms, conditions, and deadlines remain the same.
