CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City of Roswell received notice of its Program Year 2020 Community Development Block Grant (CDBG) award in the amount of \$503,686 on May 8, 2020. On May 26, 2020 the Mayor and City Council approved 2020 CDBG allocations to nine different projects including seven to local nonprofits. The City then submitted its 2020 Annual Action Plan (AAP) to the U.S. Department of Housing and Urban Development (HUD) for approval and executed its agreement with HUD on September 17, 2020. On October 22, 2020 HUD informed the City that it had made an error in its annual formula allocations and that the City's total 2020 allocation would be reduced to \$503,609. In addition to this change, on November 30, 2020, the Mayor and City Council reallocated unexpended CDBG funds in the amount of \$22,857.17 from Program Year 2019 to the Grove Place Waterline Project in Program Year 2020. This brought the total 2020 CDBG funds to \$526,466.17.

Ultimately, the City executed the updated 2020 CDBG agreement with HUD on February 18, 2021. The City subsequently hired BluLynx solutions to complete the environmental reviews and signed all subrecipient agreements. All projects are currently progressing. However, due to the funding delays and the COVID pandemic, no projects have been completed as of December 31, 2020, and thus the City has not met any of its Program Year 2020 goals yet.

In addition, the City of Roswell received 2020 Community Development Block Grant-Coronavirus (CDBG-CV) funds from HUD for the prevention, preparation for, or response to infectious diseases like the coronavirus. On April 2, 2020 the City was notified of its Round 1 CDBG-CV award in the amount of \$296,302. On November 30, 2020 the Mayor and City Council allocated those funds to six different projects, including four to local nonprofits. The environmental reviews for those projects have been completed and the subrecipient agreements executed. All projects are currently underway. The City also received notice from HUD on September 11, 2020 that it received a Round 3 CDBG-CV award in the amount of \$479,902. While some of the Round 3 funds in the amount of \$103,248 were awarded to the aforementioned Round 1 projects on November 30, the remaining Round 3 funds in the amount of \$376,654 will be awarded through another open application process in the spring of 2021.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee’s program year goals.

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

While the City's Program Year 2020 CDBG projects have not all been completed yet due to funding delays and the pandemic, the City was able to make progress on reaching its goals by completing Program Year 2019 CDBG projects. The City's first highest funded goal was Public Facility Improvements for Low-Mod Clientele. The City allocated PY2019 funds to the Public Works Department for the replacement of the Grove Way Waterline Phase II; Easter Seals for classroom repairs; North Fulton Child Development Association (CDA) for school repairs; and North Fulton Community Charities (NFCC) for expansion of its Emergency Assistance Center. Since these projects all involved construction and did not get underway until late 2019 or early 2020 due to funding delays, their progress was slowed by the coronavirus pandemic. All work had been completed as of December 31, 2020, but the City is still working to process the financials, compile the beneficiary data, and complete the projects.

The City's second highest funded goal was to Improve Access to and Quality of Housing. The City allocated PY2019 funds to Habitat for Humanity of North Central Georgia for its homeowner repair program; HomeStretch for repairs to Millbrook Circle transitional housing units; and the Roswell Housing Authority (RHA) for repairs to Myrtle Street Apartments. HomeStretch’s project was completed and improved 11 rental-transitional housing units. RHA’s project was completed as well with the Myrtle Street repairs project improving 28 low to moderate income (LMI) rental units. The Habitat for Humanity project was largely targeted towards Seniors, who qualified as a high-risk population during the pandemic, thus this project has not been completed.

The City's third highest funded goal was to Provide Public Services. The City allocated PY2019 funds to the Recreation and Parks Department for a summer camp program; the Roswell Housing Authority (RHA) for a Tenant Services Coordinator; Senior Services North Fulton for its

Transportation Options for Seniors (TOPS) program; and the YMCA for elementary afterschool scholarships. The City's Recreation and Parks Department's summer camp program was cancelled due to the pandemic. The Roswell Housing Authority's Tenant Services Coordinator was completed and provided housing services to 87 low to moderate income (LMI) residents. Senior Services North Fulton's TOPS program was completed and provided transportation services for 28 LMI Seniors. The YMCA's afterschool scholarships project was delayed since children in Fulton County did not attend schools because of the pandemic until the late fall of 2020.

The City's fourth highest funded goal was to provide Housing Services for Homeless or At-Risk. The City allocated PY2019 funds to the Drake House to replace the exterior stairs at its residential apartment complex. The work for this project was delayed due to the pandemic, but it concluded in the fall. The City is still working to process financials, compile beneficiary data, and complete the project.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG
White	0
Black or African American	0
Asian	0
American Indian or American Native	0
Native Hawaiian or Other Pacific Islander	0
Total	0
Hispanic	0
Not Hispanic	0

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The City has not completed any Program Year 2019 activities, thus there are no beneficiaries to report towards our one-year goal. However, the City did close out a number of Program Year 2019 activities during the 2020 calendar year, which benefited 154 units. Of the total, 96 (62 percent) were Black or African American, 43 (28 percent) were White, 13 (9 percent) were Hispanic, and 2 (1 percent) were Other.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	526,466	

Table 3 - Resources Made Available

Narrative

Due to funding delays and the coronavirus pandemic, the City has not expended any Program Year 2020 CDBG funds but is currently working to process the reimbursements for its subrecipients and drawdowns for HUD.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
City-Wide	100		Priority Area

Table 4 – Identify the geographic distribution and location of investments

Narrative

The City allocates most of its CDBG funding to its nonprofits, and all of the City's nonprofits are not restricted to a specific geographic target area. The City has identified Census Tracts 114.05, 114.20, and 114.21 to have the most need and estimated its beneficiary percentages based on the locations and typical service areas of each nonprofit. All PY20 funds have been allocated for use within the City of Roswell.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

Most of the PY20 funding went to nonprofits which utilized the CDBG grant award to solicit supporting funds from private donors. No grant match was required, but all projects included cash or in-kind donations. No public land was leveraged for the PY20 projects.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	14	0
Number of Special-Needs households to be provided affordable housing units	0	0
Total	14	0

Table 5 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	14	0
Number of households supported through Acquisition of Existing Units	0	0
Total	14	0

Table 6 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

While the City's Program Year 2020 CDBG projects have not been completed yet due to funding delays, the City was able to make progress on reaching its strategic plan goals by completing Program Year 2019 CDBG projects.

In 2019, the City was able to closeout HomeStretch Housing Initiative of North Fulton's PY19 housing repairs project which benefited 11 rental units and the Roswell Housing Authority's housing repairs project which benefited 28 rental units.

Discuss how these outcomes will impact future annual action plans.

These outcomes are not anticipated to impact future annual plans.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	0	0
Low-income	0	0
Moderate-income	0	0
Total	0	0

Table 7 – Number of Households Served

Narrative Information

The City has not completed any Program Year 2020 projects at this time, thus there are no beneficiaries to report for this one-year goal. However, the City did serve 154 beneficiaries during calendar year 2020 by closing out Program Year 2019 projects. Of the total, 109 (71 percent) were Extremely Low Income, 23 (15 percent) were Low Income, and 22 (14 percent) were Moderate Income.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City reaches out to the homeless by establishing crucial partnerships with its local nonprofits that serve the homeless like the Drake House and North Fulton Community Charities (NFCC). The Drake House provides transitional housing and support for homeless mothers and their families, while NFCC provides emergency services like food and clothing to hundreds of homeless or at-risk persons every day.

The City allocated \$34,993 of its PY2020 funds to The Drake House for the replacement of the exterior stairs of their residential apartments. In addition, the City allocated \$60,989 of its PY2020 CDBG funds to NFCC to improve the parking lot at their new Service and Education Center on Elkins Road. The City also allocated \$75,000 of CDBG-CV funds to NFCC to help support its job training and education initiatives that were impacted by the pandemic.

Addressing the emergency shelter and transitional housing needs of homeless persons

Along with the funding to the Drake House and NFCC, the City allocated \$61,900 to HomeStretch Housing Initiative of North Fulton, which often uses its low-income housing units for temporary transitional housing for homeless or at-risk families.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The City provided HomeStretch with \$100,000 and NFCC with \$75,000 of CDBG-CV funds to support education, childcare, and job training initiatives that will assist their at-risk clientele impacted by the pandemic.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals

and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City supported and continues to support multiple organizations that address this need. The Drake House provides transitional housing for homeless mothers and families. Habitat for Humanity provides helps low-income families with home ownership. HomeStretch Housing Initiative of North Fulton also provides transitional housing and low-income housing through various programs. Additionally, North Fulton Community Charities provides emergency assistance to at-risk families to prevent them from becoming homeless.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The City of Roswell does not own or operate any public housing organization. Instead, it supports the independent Housing Authority of the City of Roswell (RHA). The City allocated \$75,000 in CDBG-CV funds to RHA for job training and tutoring services for its residents impacted by the coronavirus pandemic.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Housing Authority of the City of Roswell is a member of the North Fulton Housing and Homeless Continuum of Care and Roswell's Georgia Initiative for Community Housing team. Both of these groups include public housing residents and members of the Housing Authority's tenant council which work with City staff and nonprofit organizations like HomeStretch to identify opportunities and strategies to help low-income residents become homeowners.

Actions taken to provide assistance to troubled PHAs

The city of Roswell does not have any troubled Public Housing Authorities.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

On July 24, 2017 the Mayor and City Council adopted the City's new Analysis of Impediments to Fair Housing Choice (AI) Plan. One of the main impediments identified in the plan was the need for fair housing education and outreach, so the City hired BluLynx Solutions to conduct fair housing education training on September 30, 2020. Because of the coronavirus pandemic, the training was held online, but over 20 representatives from nonprofits, City staff, and other housing stakeholders attended. Topics covered included protected classes, HUD rule 24 CFR part 100, the Fair Housing Amendments Act, the CPD Equal Access Rule, and a planning and zoning. The event flyer is included in the attachments of this 2020 CAPER with a full list of the topics covered.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The City of Roswell does not operate any public facilities that meet underserved needs. However, the City provided PY20 funds to several of its nonprofits that provide health-related services. In PY20, the City funded Senior Services North Fulton's Transportation Options for Seniors (TOPS) program in the amount of \$30,000. The City also funded the expansion of Enable of Georgia's service center for adults with Special Needs in the amount of \$60,000.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City follows its lead-based paint policy for each project, but it did not create a specific project for reducing lead-based paint hazards.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The City assisted poverty-level families through its PY20 support of its nonprofit agencies. North Fulton Community Charities (NFCC) is one of the largest nonprofits in the area, and it serves hundreds of poverty-level families a day. Many of the families served by the Drake House and HomeStretch Housing Initiative of North Fulton are at or below the poverty level. All three organizations are members of the North Fulton Housing and Homeless Continuum of Care and offer extended educational services to help poverty-level families regain self-sufficiency.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City has a long-established dedicated Grants Division that manages all federal, state, and local grants. In 2012, the City created a Grants Specialist position to oversee its first-year CDBG program as an

entitlement community. The City maintains that position to date. The Grants Specialist directly reports to the City's Grants Manager, who in-turn reports to the Deputy City Administrator. Grant policies and procedures have been established for all the necessary components of grant management and the City has a system of checks and balances in place to ensure accurate and efficient oversight. In 2017, the City's Grants Division established the Nonprofit Partnership Program (NPP) which includes providing research, training, and marketing for 15 local nonprofits. The NPP's formation lead to the City receiving an AmeriCorps grant in partnership with the YMCA and the StarHouse to provide afterschool tutoring for low income children.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City provided over \$1 million of support to the Roswell Housing Authority's Veranda at Groveway project which added 80 affordable units for Seniors to the City's housing stock. The Veranda was completed in 2017. Additionally, the City formed the Nonprofit Partnership Program with 15 nonprofits to provide technical services and support. Many of the 15 members are also recipients of CDBG funds.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

On July 24, 2017, the City adopted a new Analysis of Impediments to Fair Housing Choice Plan. The City incorporated that data into its 2018-2022 Consolidated Plan and in September 2020 worked to overcome the education and outreach impediments by hiring BluLynx Solutions to conduct fair housing training for over 20 representatives from community organizations. The event flyer is included in the attachments of this 2020 CAPER.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

Due to the coronavirus pandemic, the City postponed its 2020 onsite monitoring for its subrecipients. The City plans to revisit this process once the vaccinations have been issued to staff and subrecipients. The City did complete an internal review of its own CDBG processes and procedures during its annual audit. The City also finalized a new CDBG manual which included updated Section 3 and MBWE policies.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

In compliance with the 15 day public review period for annual reports specified in the City's Citizen Participation Plan, a public comment period for the City's 2020 CAPER began on March 12, 2021 and ended on March 29, 2021. The City posted this information on the City's website and in two local newspapers. One newspaper ad was placed in English in the Roswell Neighbor. One other newspaper ad was placed in Spanish in the El Nuevo Georgia. Hard copies of the plan were made available at City Hall. The ads and website notice are included in the attachments of this 2020 CAPER.

No comments were received.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

There have been no changes to the City of Roswell program objectives.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

Truett McConnell freshman guard E.J. Smith, a former Cambridge High standout, takes a shot in a game earlier this season.

Cambridge grad and TMU standout named to AAC's All-Freshmen team

By Everett Catts
@NeighborEverett

Former Cambridge High basketball standout E.J. Smith, who is in his first season at Truett McConnell University in Cleveland, Georgia, was named to the Appalachian Athletic Conference All-Freshmen team. According to a Feb. 27 news release, the freshman

guard is one of three Bears to receive the conference's postseason honors. Junior forward Enoch Franky was chosen to the All-Conference first team and All-Defensive squad, and freshman guard Ty Briscoe joined Smith earned on the All-Freshmen team. Smith averaged 6.44 points and 1.11 assists a game and led Truett McConnell in

steals per game (1.07) and 3-point field goal percentage (32.7%). He scored a season-high 16 points against Kentucky Christian in January. "E.J. displayed a tireless work ethic and selfless attitude from day one," Bears head coach Jon Yeh said in the release. "His shoot(ing) ability earned him playing time, but then this overall game flourished as he gained

confidence. He was both a capable defender (second on the team in total steals) and a solid decision maker (1.6 to 1 assist-to-turnover ratio)." Truett McConnell (9-19 overall, 5-15 conference) ended its season with an 88-79 loss to Montreat (North Carolina) in the conference tournament's play-in game Feb. 20.

Roswell cancels and postpones numerous upcoming city events

By Elizabeth Nouryeh-Clay
@NouryehNeighbor

The city of Roswell has decided to cancel or postpone many large city events that traditionally take place during the spring and summer months.

The city said the cancellations and postponements are continued efforts to safeguard the health and safety of the Roswell community during the COVID-19 pandemic.

Memorial Day Celebration, Riverside Sounds Concert Series and the Lavender Festival are all cancelled.

Alive in Roswell will be postponed until

July 15. The city will reassess the decision to hold July's event on April 30.

Food Truck Fridays, the 4th of July Celebration and BBQ and Bluegrass at Barrington Hall and the End of Summer Celebration are also all on hold and will be reassessed by April 30.

Roswell says its decision to cancel or postpone these events was made out of an abundance of caution for the public, sponsors and vendors, and city staff and volunteers who organize and work the events. The city is continuing to follow state and local public health guidelines, as well as adhering to CDC guidance regarding special events.

14 Fulton schools named AP Honor Schools by state Dept. of Education

By Everett Catts
@NeighborEverett

14 high schools in the Fulton County Schools district were named Advanced Placement (AP) Honor Schools by the Georgia Department of Education when it released its list Feb. 24.

Fulton's number of schools lauded was only one less than the class of 2019. Statewide, 244 schools were honored, down from 255 the previous year. In 2020, due to the COVID-19 pandemic, all AP exams were taken online in an abbreviated format.

Based on how schools' students fared on AP exams, the department started recognizing AP Honor Schools in 2008. The honor began with three categories: AP Access and Support Schools, AP Challenge Schools and AP Merit Schools. The AP STEM (science, technology, engineering and math) and AP STEM Achievement categories were added in 2011, and the AP Humanities category debuted in 2015.

Last year two new categories were added: AP Humanities Achievement and AP Expansion Schools. The AP Merit Schools category was renamed AP Schools of Distinction.

Fulton's recognized schools and their categories were as follows:

- **AP Access and Support Schools:** North Springs
- **AP Challenge Schools:** Hapeville
- **AP Schools of Dis-**

inction: Alpharetta, Cambridge, Centennial, Chattahoochee, Johns Creek, Milton, North Springs, Northview, Riverwood and Roswell

• **AP Expansion Schools:** none

• **AP Humanities Schools:** Alpharetta, Cambridge, Centennial, Chattahoochee, Johns Creek, Milton, North Springs, Northview, Riverwood and Roswell

• **AP Humanities Achievement Schools:** Alpharetta, Cambridge, Centennial, Chattahoochee, Johns Creek, Milton, North Springs, Northview, Riverwood and Roswell

• **AP STEM Schools:** Alpharetta, Banneker, Cambridge, Centennial, Chattahoochee, Creekside, Johns Creek, Milton, North Springs, Northview, Riverwood, Roswell and Westlake

• **AP STEM Achievement Schools:** Alpharetta, Cambridge, Centennial, Chattahoochee, Johns Creek, Milton, Northview, Riverwood and Roswell

On the statewide level, Georgia's public-school class of 2020 has the 17th-highest AP pass rate in the country (the same as the class of 2019), according to data released by the College Board.

"I'm so proud of the class of 2020 for their continued accomplishments, and extremely pleased to see that Georgia's students maintained their strong performance on AP exams even given the impact of

the COVID-19 pandemic in their final year," State School Superintendent Richard Woods said in a news release. "In a challenging time for schools and students, this is good news as we continue our work to expand advanced learning opportunities to all students."

The percentage of students earning a 3 or higher on an AP exam was 23.2% for Georgia's class of 2020, the same as the class of 2019. Georgia students recorded stronger AP performance than most Southern states, scoring higher than their peers in Alabama, Arkansas, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas and West Virginia.

The percentage of low-income AP test-takers who scored 3 or higher increased in Georgia for the second straight year, jumping from 43.7% for the class of 2019 to 49.4% for the class of 2020. This figure is based on the performance of students who used an AP exam fee reduction, which states look to as a marker of equitable participation for low-income students.

Overall, 38.5% of Georgia's class of 2020 took an AP exam while in high school. This is a slight drop compared to the class of 2019 — of those students, 40.5% took at least one AP exam. The national participation rate decreased slightly as well, from 39.9 to 38.3%.

colorectal cancer screening. According to Clinical Oncology News, delays in colorectal cancer screenings during the pandemic will equate to a 12% increase in cancer deaths over the next five years.

As an ambassador, he's asking everyone to get a colonoscopy when they turn 50 or even 45.

"Unfortunately, getting a colonoscopy is really the main way to check for colon cancer, and it's not very fun. You have to do a lot

of prep," he said. "Getting the colonoscopy is not just an easy blood test or something like that you can do, so a lot of people put it off. I understand that, and don't know if I would have done it right at 50."

"But hopefully, when people hear some of the stories and hear, 'Hey, I know this guy who has ... (colon cancer). He had no other symptoms, and it's a really easy thing to go undiagnosed.' Hopefully they'll hear my story and see a doctor, and if they're having any symptoms, at least follow up on the symptoms and hopefully catch it if they have it, catch it early."

THE CITY OF ROSWELL SEEKS PUBLIC COMMENT ON ITS 2020 CONSOLIDATED ANNUAL PERFORMANCE EVALUATION REPORT

The City of Roswell is seeking public comment on its 2020 Consolidated Annual Performance Evaluation Report (CAPER). The CAPER is an annual report that must be submitted to the United States Department of Housing and Urban Development (HUD) and describes the use of the City's entitlement funds for the Community Development Block Grant (CDBG). The draft plan will be available to the public starting on Friday March 12, 2021. Due to closures related to the COVID pandemic the City will not be posting hard copies at the Roswell Public Library, East Roswell Public Library, or the Roswell Housing Authority. However, hard copies will be available for review at Roswell City Hall, 38 Hill Street, Suite 115, Roswell, GA 30075, and an electronic copy will be posted on the City of Roswell's website, www.roswell.gov. Public comments may be submitted by email to CDBG@roswell.gov or in writing at suite 130 in City Hall. All public comments must be received no later than 5:00 p.m. on Monday March 29, 2021.

Persons needing special accommodations should contact the City of Roswell Grants Division Office at City Hall. An interpreter is available upon request to assist persons with limited English proficiency. The City of Roswell does not discriminate on the basis of disability in the admission of, access to, or treatment of, or employment with the programs and activities described herein. Please contact Charles Allford, (770) 641-3847, callford@roswell.gov, with any questions.

LA CIUDAD DE ROSWELL BUSCA COMENTARIOS DEL PÚBLICO SOBRE SU INFORME DE EVALUACIÓN DE DESEMPEÑO ANUAL CONSOLIDADO 2020

La ciudad de Roswell está buscando comentarios del público sobre su Informe de Evaluación de Desempeño Anual Consolidado de 2020 (CAPER). El CAPER es un informe anual que debe presentarse al Departamento de Vivienda y Desarrollo Urbano de los Estados Unidos (HUD) y describe el uso de los fondos de desarrollo de la Ciudad para la Subvención en Bloque para el Desarrollo Comunitario (CDBG). El borrador del plan estará disponible para el público a partir del viernes 12 de marzo de 2021. Debido a ciertas restricciones con la pandemia de COVID-19, la Ciudad no publicará copias impresas en la Biblioteca Pública de Roswell, la Biblioteca Pública de East Roswell o la Anunciación de Roswell. Sin embargo, las copias impresas estarán disponibles para su revisión en Roswell City Hall, 38 The Street, Suite 115, Roswell, GA 30003, y se publicará una copia electrónica en el sitio web de la ciudad de Roswell, www.roswellga.com. Los comentarios públicos pueden enviarse por correo electrónico a CDBG@roswellga.com o por correo a la suite 130 del Ayuntamiento. Todos los comentarios públicos deben recibirse a más tardar a las 5:00 p.m. el lunes 19 de marzo de 2021.

Tas personas que reciben subvenciones especiales deben comunicarse con la Oficina de la División de Subvenciones de la Ciudad de Roswell en el Ayuntamiento. Un intérprete está disponible a pedido para ayudar a las personas con dominio limitado del inglés. La Ciudad de Roswell no discrimina por motivos de discapacidad en la admisión, el acceso, el tratamiento o el empleo en los programas y actividades descritos en este documento. Si tiene alguna pregunta, comuníquese con Charles Alfred, (770) 841-3847, calfred@roswellga.com
